

FIND YOUR LEGGINGS SIZE

It's easy to find your size.

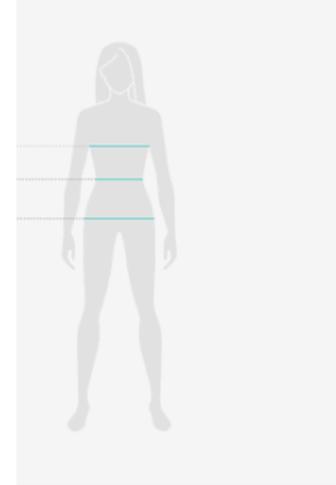

1) Simply take your WAIST and HIP measurements as follows:

WAIST— Place the tape on the narrowest part of the waist and measure around.

Waist—B _____

HIPS —Put the beginning of the tape measure on one hip and bring the tape across the fullest part of the hips back to where you started measuring.

Hips—C _____

2) Compare it to the chart below — Circle your size.

* If you are between sizes, consider circling the smaller size because the material is very soft and stretchy. The sizing chart is for both Regular and Capri Leggings measurements.

SIZE	WAIST	HIPS
XS	25 ¼	35 ¾
S	26 ¾	37
M	28 ¾	38 ¾
L	31 ½	41 ¾
XL	34 ¾	44 ¾
2XL	37 ¾ - 39 ¾	48 - 49 ¾
3XL	41 - 42 ½	51 ½ - 52 ¾
4XL	44 ½ - 45 ¾	54 ¾ - 55 ¾
5XL	47 ¼ - 48 ¾	57 ½ - 59
6XL	50 ¾ - 52	60 ¾ - 62 ¼

3) Choose to order Regular or Capri length leggings. Capri available in size XS-XL.

*Some petite folks prefer Capri leggings because they are shorter in length than the regular length leggings. They are made to hit mid calf on most people. Depending on size, Capri's will have an inseam between 19 and 23 inches. If you measure your own inseam, you will see approximately where the bottom of your Capri's will land on you.

Circle what you plan to order: Style REGULAR or CAPRI— Size XS, S, M, L, XL, 2XL, 3XL, 4XL, 5XL, 6XL
